Dear Mr. Foster:

**SUBJECT: Draft Environmental Impact Statement/Overseas Environmental Impact Statement (EIS/OEIS) for Navy's Hawaii-Southern California Training and Testing (HSTT) Activities**

The Department of Health (DOH), Environmental Planning Office (EPO), acknowledges receipt of your letter, dated May 3, 2012. Thank you for allowing us to review and comment on the subject document. The document was routed to the various branches of the Environmental Health Administration. We have no comments at this time, but reserve the right to future comments. We strongly recommend that you review all of the Standard Comments on our website: [www.hawaii.gov/health/environmental/env-planning/landuse/landuse.html](http://www.hawaii.gov/health/environmental/env-planning/landuse/landuse.html). Any comments specifically applicable to this application should be adhered to.

The United States Environmental Protection Agency (EPA) provides a wealth of information on their website including strategies to help protect our natural environment and build sustainable communities at: <http://water.epa.gov/infrastructure/sustain/>. The DOH encourages State and county planning departments, developers, planners, engineers and other interested parties to apply these strategies and environment principles whenever they plan or review new developments or redevelopments projects. We also ask you to share this information with others to increase community awareness on healthy, sustainable community design. If there are any questions about these comments please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Laura Leialoha Phillips McIntyre".
